

She goes above and beyond to serve her students and the Hammond Hill community. Mrs. Hoffman serves on many school committees and has committed herself as the designated individual to greet parents during car line dismissal. She always lends a helping hand when needed by giving her personal time and resources. She is a model educator in the way she prepares and executes her lessons for young learners. Students are always greeted with a smile and warm welcome each and every day.

Thank you to our January Employee of the Month, Mrs. Shannon Hoffmann, for demonstrating excellence as an employee of ACPSD! We appreciate all you do!
