What Is Schoolology?

Teachers use Schoolology to post their classroom materials online; provide a safe forum for students to discuss their ideas and collaborate on projects; and to assign and collect homework electronically. It helps students stay organized and it keeps the class connected.

A Schoolology Parent Account gives you access to:

- The classes your child is enrolled in.
- Your child's upcoming assignments.
- School and class announcements.

Schoolology makes it easy for parents to stay involved in their children's education.

Notifications

Set up your Notifications to control how Schoolology contacts you about your child's school activities.

To set up notifications, select **Notifications** from the dropdown menu in the upper right hand corner.

Setting Up Your Parent Email Digest

The Schoolology Parent Email Digest is a brief summary of your child's activities delivered right to your inbox. Here, you can opt to receive it on a daily or weekly basis.

The screenshot shows the 'Account' settings page with the 'Notifications' tab selected. Under the 'Parent Email Digest' section, there are three settings:

- mail Summary:** A dropdown menu set to 'On'.
- Repeat:** A dropdown menu set to 'Daily'.
- Time:** A text input field set to '06:00PM'.

On the right side of the form, there are three checkboxes labeled 'E', 'R', and 'T', which are currently unchecked.
